

# HAND HELD PINSPOTTER

ITEM #27003 LF1000LN - 110 Volt

# LF

## **QUALITY WELDING**

Like a spotwelder, Duro Dyne pinspotters are resistance welders. Insulation is fastened securely with the inherent strength of a welded fastener.

## **SIMPLE TO USE**

A pin is placed into the welding tip, the welding tip is pressed against the duct-work and the trigger depressed.

## **EASY HANDLING**

Special dynamic balance eases handling and minimizes operator fatigue.

## **UNIFORM WELDS**

Every pinspotter has a lightweight solid state timer built into the gun case. Controlled timing extends the duty cycle and assures uniform weld quality.

## **FITTED CARRYING CASE**

High impact plastic carrying case protects unit when not in use. Case has storage pockets for accessories.

## **PROVEN RELIABILITY**

Thousands of these units have proven their durability in shops and at job sites throughout the world.

## **LF 1000 LN**

- For use with PN & LN Pins with PC, LC washers
- 9 lbs.
- For use on 18 gauge or lighter steel

## **LF 1000 LN Specifications**

**Model LF-1000 Voltage:** 110v, 50/60hz

**Current Draw:** 110 Volt: 15 amp average; 25 amp peak.

**Weight:** 9 lbs.

**Consists of:** LF pinspotter with built in solid state timer and 8 ft. power cable, extra welding tip, high impact plastic carrying case.

## **INSTRUCTIONS FOR USE**

**1. Insert PN / LN Pin.**

**2. Press gun down firmly. Pull the trigger.**

**3. After pins are welded to the duct (1 pin per 1 sq. ft.), press insulation onto pins (pins used should be 1/4" longer than insulation thickness).**

**4. Push clips over pin to hold insulation firmly in place.**

## **ORDERING INFORMATION FOR PINS & CLIPS**

<b>Thousand Pack</b>		
26001	PN-34	3/4" Spotter Pins
26002	PN-114	1-1 1/4" Spotter Pins
26003	PN-200	2" Spotter Pins
26004	PN-250	2 1/2" Spotter Pins
26149	LN-34	3/4" Dyn-O-Lite Nail
26148	LN-150	1-1/2" Dyn-O-Lite Nail
26147	LN-250	2-1/2" Dyn-O-Lite Nail
26017	PC-1	Steel Spotter Clips
26021	NC-1	Nylon Spotter Clips for PN Pins
26145	LC1	Dyn-O-Lite Washer Nails up to 2-1/2in
<b>Bulk Pack</b>		
26005	PNB-34	3/4" Spotter Pins
26006	PNB-114	1-1 1/4" Spotter Pins
26007	PNB-200	2" Spotter Pins
26008	PNB-250	2 1/2" Spotter Pin
26019	PCB-1	Steel Spotter Clips
26022	NCB-1	Nylon Spotter Clips for PN Pins
26146	LCB1	Dyn-O-Lite Washer Nails up to 2-1/2in

**DURO DYNE PINS AND CLIPS** insure against liner being "pulled back" into ductwork by air pressure. Properly secured pins will support a straight pulling weight of approximately 50 lbs. per pin and clip, and guarantees insulation will not sag or fall, but be held firmly in place.
